

MITYLITE[®]

THE GALLERIA COLLECTION
LUNETTE

AVENUE
INTERIOR DESIGN

The **Lunette** banquet chair draws inspiration from the Mid-Century Modern era with continuous flat planes, an elliptical back, and an integration of natural elements. A faux wood or powder-coat finish and tapered legs give The Lunette a rare warmth and simplicity.

PRODUCT FEATURES

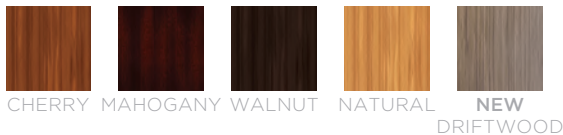

- 1** Tapered legs create a refined yet practical profile
- 2** Durable, lightweight aluminum frame
- 3** Contoured padded backrest is modest but comfortable
- 4** FormFlex seat with 2-inch thick foam cushion
- 5** Clear, non-marring plastic glides
- 6** Stacks up to 6 chairs high

STANDARD FRAME OPTIONS (See mitylite.com for our large collection of fabric options)

FAUX WOOD FRAME OPTIONS

FRAME

Constructed from strong aluminum, the Lunette frame is lightweight and extremely durable. The frame features continuous flat plane, elliptical back, and tapered legs.

FRAME FINISH

The aluminum frame is available in a durable faux wood or powder-coated finish.

BACK

The chair back consists of upholstery and foam stapled to curved plywood inserts and attached to the chair's back frame. The ergonomic backrest is curved and padded with polyurethane foam for superior comfort.

STACK SIDE BUMPERS

The bumpers are strategically positioned to help protect frame and upholstery during stacking.

SEAT

The cushion consists of 2-inch thick, molded high-resiliency, polyurethane foam upholstered and stapled to a FormFlex seat insert.

PITCH

The chair features a dining pitch, making it ideal for a variety of venues and spaces.

FORMFLEX

The patented FormFlex seat insert is standard on all chairs and it features concentric oval patterns designed to flex with the weight of the user.

GLIDES

Clear plastic glides help prevent streaking or scratching on most floors.

STACKING

The lightweight aluminum frame makes it perfect for chair-on-chair nesting. The optimal nesting is 6 chairs per stack.

LOWER SEAT COVER

The seat cover prevents imprints when stacking.
