LINENLESS ROUND TABLES

REVEAL

Never worry about food crumbs and sticky liquids in hard-to-reach seams again with the **Reveal Linenless Round Tables**. The Reveal Round Tables feature a seamless top in all sizes including up to 72" in diameter. The linenless tables offer an upscale look that easily compliments any décor without the increased costs of linens. Available in a variety of sizes and finishes, Reveal tables are built to last. The tables are incredibly durable with the hard-wearing UltraEdge™ and sturdy, yet lightweight, frame that's easy to set up thanks to the patented snap-lock folding leg.

STANDARD TABLETOP FINISHES

LEG FINISH OPTIONS

TABLE TOP

The commercial-grade, High-Pressure Decorative Laminate (HPDL) surface is bonded to 15mm ultralight plywood using a high-strength adhesive. The laminate surface is available in a variety of colors and is fastened to an aluminum frame. Reveal tables are intended for indoor use only

UNDERSURFACE

An aluminum frame is attached to the bottom of the tabletop. Aluminum frame runners are rectangular, and powder coated. Frame corners are powder coated cast aluminum. The underside of the table has a black laminate finish

LEG MOUNTING

The aluminum leg brackets are riveted into aluminum table runners to prevent leg pullout. Tested to withstand 15 years of daily use

STORAGE

Integrated stack buttons prevent sliding and scuffing of stacked tables. Reveal tables are compatible with all MITY standard table carts. Stack density is 3.16" (8 cm)

MATCHING EDGE

Featuring UltraEdge®, made from an extremely durable impact resistant polymer and permanently bonded to the perimeter of the table, for edge roll durability and a clean look. The smooth radius corner along the top and bottom of the edge provide safe handling
