SOLID WOOD SEATING
SUSSEX

Eye-catching back cutouts give the **Sussex** a modern feel – with elegant lines and timeless style. The matching barstool and arm chair and side chair can stack 4 chairs high.

PRODUCT FEATURES

- 1 Strong, beautiful European Beech hardwood frame
- 2 Stacks 4 high (arm and side chair)
- 3 Standard and custom stain options are available
- 4 Plush 2.5-lbs foam seat and 1.8-lbs foam back provide long-term comfort
- 5 Solid mortise and tenon joints
- 6 Seat and back are replacable in the field after purchase
- 7 Generous gap between the back and seat offers easy cleaning

STANDARD WOOD STAIN OPTIONS

Stain colors match our MityLite® tables, available at mitylite.com. (Custom stain matching is available, but a surcharge may apply.)

*Matches MityLite buffet & dining table tops

FABRIC OPTIONS

Due to the sewing and style of the chair, upholstery options are restricted to solids and non-matched patterns. Striped fabrics and fabrics that need specific alignment are not recommended.

See holsag.com/fabrics for selections.

SPECIFICATIONS

Fixed	Yes	European Beech Hardwood	Grades 1-4+, TB133, COM	0.85	Nylon

Sussex arm chair also available

FRAME

The frame is built using 100% solid European beech, a strong, bendable, and renewable hardwood. This light-colored wood is ideal for staining which provides an attractive finish in any color.

FRAME CONSTRUCTION

Mortise and tenon joints are glued with high solids water-based glue and reinforced with 18-gauge nails. Screws and corner blocks provide stability and strengthen the main joints.

BACK

The curve and pitch in the back provide comfort and a modern look.

FRAME FINISH

The stain is hand-wiped into the grain to ensure even color and maximum penetration into the wood. The frame is then sanded and sprayed with two coats of catalyzed finish to prevent cracking and chipping.

SEAT

Standard barstool seat height is 30 inches with seat heights available in 24 inches (61 cm) to 30 inches (76 cm).

STACKING

Optimal storage density is 4 chairs per stack.

GLIDES

Options include nylon glides, small metal glides, standard metal glides, felt glides, and metal glides with a nylon cap.

BARSTOOL KICKPLATE

Barstool kick plates provide style, protection, and durability. Brass kick plates come standard, but chrome and black kick plates are available upon request for no additional cost.

OPTIONAL IN-LINE WHEEL

In-line wheels are available in white or brown. The housing for the wheels is cut directly into the front legs of the chair. Professionally secured in our factory, the in-line option is more subtle than casters, while still allowing for easy movement. Available for armchairs only.

C.O.M. UPHOLSTERY

The amount of fabric needed per chair is estimated using 54-inch (137 cm) wide material. The actual amount required may vary depending on special pattern matching and the width of material. Specific yardages for orders can be provided upon request along with the model, quantity, and fabric details.

Customers are responsible for any additional customs/duty fees for fabrics shipping across the border.
