CONSTRUCTION DETAILS

LAMINATES	WOOD STAINS	VINYL EDGE COLORS	DROP LEAF	CUSTOM ORDERS
MityLite uses only high-pressure laminates designed to provide resistance to wear, heat, stains, and impact. See finishes section for our selection of laminates.	MityLite offers an assortment of polyurethane sealed wood stains, as well as customer stain or paint to match.	A wide variety of quality vinyl T-Mold edging is available for Vinyl Perimeter table tops.	To expand a square table top to round, consider the drop leaf. Available for Wood Perimeter, Wood Edge, Solid Wood, and Self Edge Perimeter table tops.	Custom laminates, wood stains, and wood edge profiles may be available upon request. If you don't see what you're looking for in this catalog, give us a call—we're always happy to meet custom requests.
